

## Jamboree on the Air and Jamboree on the Internet (JOTA-JOTI) 2023 Information Sheet

### Introduction

JOTA-JOTI is the world's largest digital Scout event taking place online and over the air. The educational event brings together more than 2 million Scouts every year in October for a weekend of Scouting and friendship. Young people can learn about communications technology and connect with fellow Scouts from over 174 countries.

JOTA-JOTI is about the 21st century skills you can learn in Scouting and the values of global citizenship. The event is open to Scouts around the world, enabling young people to connect and communicate with each other using the Internet and amateur radio. JOTA-JOTI engages youth in educational activities that build teamwork, cross-cultural understanding, and skills for the future.

## Programme

### Campsite

During the JOTA-JOTI 2023, young people are invited to explore the jamboree map and join a series of dialogues, games, live shows and challenges.

#### *Challenge Valley*

This activity will provide Scouts with a number of challenges to complete around the campsite by engaging in offline activities, attending webinars, participating in games or watching the JOTA-JOTI 2023 Live shows.

### Safe from Harm

For us, keeping the young person Safe from Harm during this event is a top priority. It is assured to us by the event organizers that the experience will be moderated and “Listening ears” will be available within the event.

- There will also be a number of sessions and e-learning courses on how to be safe online during the event.
- For additional information regarding Safe from Harm refer to the link:
